**SPECIAL NOTES:**

- No boat will be launched until all outstanding bills are paid in full. Slips must be paid in full by March 31, 2015.
- Boats not renting from **Between The Bridges Marina** will be given one week after launch to vacate docks. Boats remaining after this time will be charged a regular transient fee.
- No outside labor or contractor is allowed unless permission is obtained from the service manager in advance.
- The yard will require contractor to sign in and out of the yard. The office will be supplied with a copy of all information prior to any work being performed. **No outside labor or independent contractor is allowed on the premises unless prior permission is obtained from the yard manager.** The yard will require proof of appropriate liability and workers compensation insurance, along with proof of compliance with environmental and governmental regulations required for this property and business. A fee of \$50.00 per job will be charged to the owner for the contractor's time and activities on the property. This fee must be paid in advance of the contractor's arrival. Yard office must be advised by the owner in advance of contractor's arrival. Please call the marina office at 860-388-1431 to receive Subcontractor Rules.
- Customer is responsible for area where boat is stored. No boat will be launched until area surrounding boat is cleaned.
- Payment for commissioning services is expected before the boat leaves the yard.
- All customers working on exterior hull of boat will use dustless sanders. Boat yard provides environmentally appropriate means for disposing of batteries, oil and other waste. Under no condition is a customer allowed to spray any form of paint in the yard.
- Customer understands they are renting a slip for one boat. At no time will there be more than one vessel measuring over 8' in the same slip. The marina reserved the right to haul any boat violating this rule at owner's expense
